I understand that Camp UniStar is on a remote island with limited services, and I accept responsibility for the safety of my minor children and myself. In case of accident, injury, or illness I agree to hold Camp UniStar blameless, and I hereby release Camp UniStar from liability for accident, injury, or illness resulting from my own actions or from the inherent risks of being in nature in a rustic environment. I agree to follow all rules and procedures as instructed by Camp UniStar staff regarding safety and preventing illness, including mask-wearing and social distancing on the part of myself and my minor children. I also understand that I or my minor children may contract Covid while at camp or after camp, and I accept responsibility for dealing with that possibility and will hold Camp UniStar blameless if I or my minor children become ill from Covid.

All adults will need to sign a waiver at camp.

Due to our Covid safety plans, this summer we will be housing people based on a Group formed by campers. (We will also have some spots available for those coming without a Group.) A Group can be family members and friends that you feel comfortable sharing a cabin or the tenting area with. The group may have up to 10 members, as this number will fit in most cabins. Each family or household will do an application separately, and pick the same Group Name so we can put you in a cabin (or the tenting area) together. Unfortunately, due to our reduced camper numbers, we may not be able to honor requests for multiple household groups to be placed in the same week.
